## Tasting

The colour of this Crémant is yellow with golden reflections. The effervescent collar is fine. The nose is expressive with notes of yellow-fleshed fruit and hints of roasted hazelnut.

The palate is supple with fruity flavours and a fine and pleasant effervescence. The structure is greedy.

The finish is refreshing with flavours of white flesh fruits.

## Food and wine pairing

Can be drunk at any time of the day, ideal as an aperitif, but also during meals.
